

**Informa Life Sciences DATA**  
*Target new prospects with responsive mailing lists*

**BioProcess International Subscribers**

This is the only international life sciences publication dedicated to the development, scale-up and manufacture of biotherapeutics. It provides cutting-edge biotherapeutic therapeutic protocols to successfully drive through the development and manufacturing processes.

*BioProcessing International* subscribers are the ideal prospecting files for B2B offers as well as for magazine and and book club offers, professional development and conference invitations, fundraising campaigns and financial product and services.
